

## **lilac love - sienna tenn**

**we're driving down the highway  
your windows down  
my hair's out  
and I'm kinda lost in it your  
blasting out buckley's line  
a little wine and it becomes lilac love  
love, lilac love  
love**

**a year by  
you're in my messages  
I read your text but it just ain't the same as  
christmas lights and cold nights  
I see your name in every book and in between  
love, lilac love  
lilac love**

**and you still wished me well  
don't know how to feel  
always on my mind  
and it reminds me of lilac love**

**I remember when you showed me your favourite song  
a couple k's from your house where it all begun  
driving in between lanes, your eyes on none  
I gazed into yours and found the sun  
oh what a light, it burns  
what a light, it hurts me sometimes (lilac love)**

**Oh woah, lilac love  
No more (lilac love)  
I wish you well (lilac love)  
I hope you're well (lilac love)  
You're still near (lilac love)  
I wish you well (lilac love)  
lilac love  
lilac love**
