

**memory lane - sienna tenn**

**let's take a trip down memory lane  
and I'll show you the places you forgot  
and the faces you wish you did  
all the faces you wish you did**

**let's take a trip down memory lane  
oh you could buy a place or two  
and maybe more than that  
woah maybe more than that**

**let's take a trip down memory lane  
oh so many empty frames  
and let's hope there are no doubts  
when we reach the last house**

**and there's no more streets  
and there's no more towns  
and there's nothing, nothing left out**

**let's take a trip down memory lane  
how many places still hold your name  
how many frames, how many times, how many things left  
to hide**

**in memory lane  
in memory lane  
in memory, memory, memory lane  
in memory lane**
