

**these are the moments - sienna tenn**

**shadows lurk in my cupboard  
they try and scream to reach for comfort  
but a whisper is all that's heard**

**the ghosts one day will be us  
uncomfortable to feel uncomfortable to touch  
but for now we'll let them stare back  
and maybe one day you'll see**

**these are the moments, don't wait for your life  
you can't control it, don't let it make you cry  
and soon but surely your face will fade from mind  
those grey eyes won't be looking into mine  
oh god I wish the world was ours  
but**

**everybody leaves eventually  
we grow old and weak in our knees  
and the world keeps spinning round and around  
and maybe one day you'll see**
