

# sienna tenn's zines!

'Zines' are a short form of magazines, self-published by someone to spread message. They are often created with just an A4 piece of paper and a story. Here are tenn steps to having your own copy of my zine exploring the story of 'attached':

## Chapter 3: i'm attached.

1. Print pages 2 and 3 double-sided.

2. Fold in half so page 3 is facing you.

3. Then fold in half.

4. Fold in half again!

5. Unfold and check there are creases for 8 pages.

6. Fold in half and cut down the middle.

7. Unfold, then fold in half, with page 3 facing outward.

8. Push either side together and check the page numbers are in order.

9. Enjoy!!!

10. Share your creations online and tag @siennatenn !

And baby you know it's been a while  
I miss you and I don't know why  
Keep running and running for miles  
and miles  
But I can't seem to get past ya

It's juvenile but I'm too fragile  
I'll wait in style just for you to come  
closer, oh closer

You know the way (you know the way)  
But it's too late (it's too late)  
Can't you stay (can't you stay)  
Let me explain (let me explain)  
Oh

It's safe to say that I'm attached  
Wish that you knew how I'd hope that  
I'm yours  
Don't need nothing more

It's safe to say I want you back  
Your heart's intact while mine's still  
kept for one (for one)  
Still waiting and holding on (holding  
on)

It's safe to say (it's been a while)  
I'm attached (I miss your smile)  
Wish that you knew (you know I'm  
meant for you)  
How I'd hope that, I'm yours

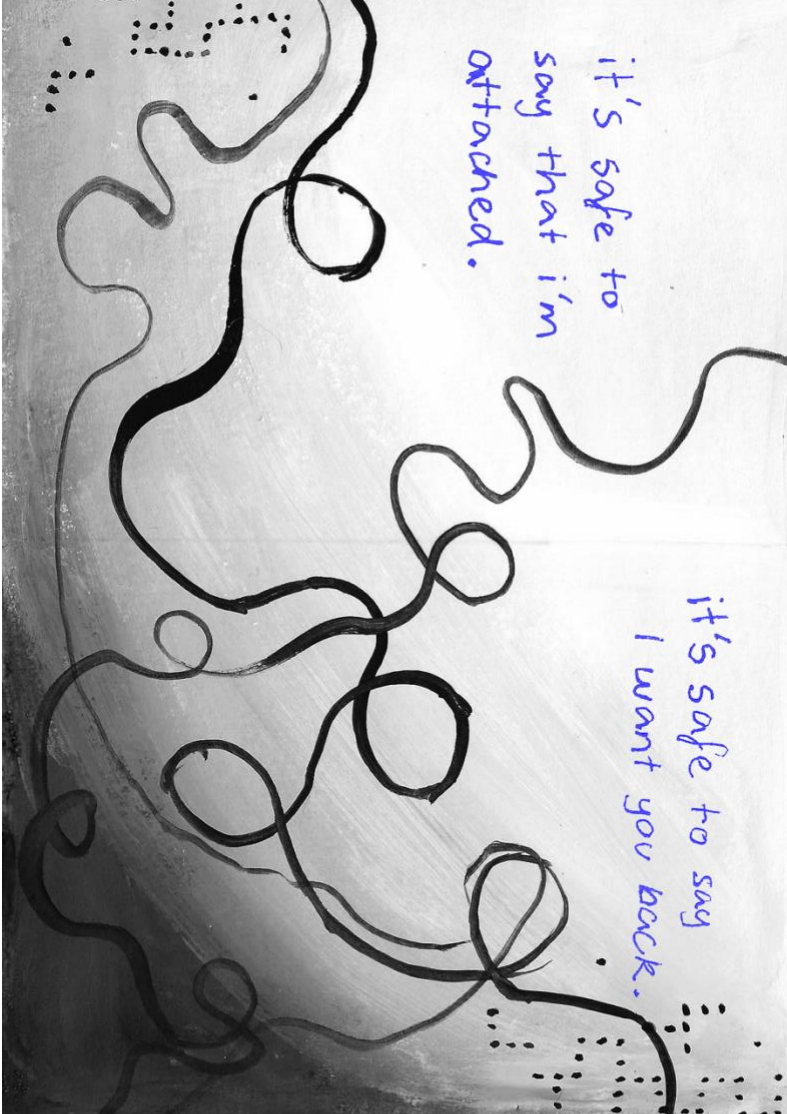

Do you feel it too, left to delude  
What did I do, still needing you  
Will it ever end, what can't I see  
I'll leave it all, for you and me

I'm still holding on  
I'm still holding on  
I'm still, I'm still on on on  
I'm still holding on

It's safe to say that I'm attached  
Wish that you knew how I'd hope  
that I'm yours  
Don't need nothing more (more,  
more)

It's safe to say I want you back  
Your heart's intact while mine's  
still kept for one  
Still waiting and holding on  
I'm still holding on
